Articles of the Month

Well here it is the middle of April and it has been a busy month so far. It all started with the ride to Chapter S's birthday party. Chapter A was very well represented there were 13 of us there, some of the folks even participated in some of the games, and I'm happy to say we won most of the games. A big happy birthday to Chapter S and we had a good time. While there we promoted our chili cook off and got a lot of good response from people telling us that they would be coming to it.

Then it was our turn to entertain with our Chili Cook off. Some people showed up early to help set up. There were tables, wires, games, crock pots to set up. I want to thank those that showed up to help it couldn't have been done without your help. It didn't seem like there were going to be too many people there, but as the day went on more people showed up. Wow what a turn out after all, we had 125 people and 73 bikes there. WE had six chapters that showed up for the cook off. There was good chili to be had there was mild to nuclear hot, for those that like to taste it again for the second time the following day.

After all was said and done guess who won the cook off again, Christie Bailey has taken it for three years running. Is she on a roll or what.

Brad and Cyndi kept everyone busy with all kinds of games. We sure had a lot of door prizes to give away. Also we had a very healthy 50/50 to give away.

Thank you all for all your hard work and time that you put into making this a great success for the chapter. You all make my job so much easier.

Month only half over and there is still a lot to do this month, Chapter D's outdoor breakfast, The New Mexico Ride for Kids is coming up and the Pima County Fair is also just around the corner. I want to thank those of you that signed up to help at the fair.

For those of you going to New Mexico be careful and have a good time.

See you all at the next get together.

Pablo
