## Trip to Wing Ding--06

Wed.-June 28-06---Geb/Christy Bailey, Dave/Dee Gormley, Dave/Sandie Novitt, and Stephen Gillett met at 5AM. Dark, but cool. Rested at Texas Canyon. Ate breakfast at Cranberry's. Next break at Deming. Gas at Las Cruces. Stayed the night in Alamogordo. Hot at times and cloud cover.

Thursday-29--Rode thru Ruidoso and spent the nite in Amarillo. Met Dave's brother, Alan on his 2002 yellow- 1800.

Fri.-30 --rode into beautiful sunrise of red and clouds. Ate breakfast in Shamrock, took photos beside old gas station.

Toured OK City -bomb site museum. So much terror.

Spent the night in Henryetta, OK. Friends, Tom and Karen Durham met us there, then returned to TX the next AM. Sat on porch and watched the kids drag Main.

Sat-July1--Hot this AM, another pretty sunrise. Ate large lunch at Nick's in Carlisle, Arkansas. Pork BBQ=GOOD!!

Dave and Dee's 25th Ann, celebrated in West Memphis, AK.

Sun-2--arrived at Gaylord Opryland hotel about 12:30PM. Went to the COY event-11 couples in the selection process.

All good. Got into our room, Stephen got one in another motel and Dave and Sandy are in yet another motel.

Monday-3--Opening ceremonies at 8Am. Heart warming and nice opening. Region D COY are the new couple.

Vendors open, SHOPPING!! Ate expensive lunch (all food very expensive.) Rode bus to Smiley Hollow for BBQ and music. Very hot and crowded, and overrated. Had 10 buses with 29-30 passengers each and lots of motorcycles.

Tues-4--11:30AM rode shuttle to Opry Mill for the COY reunion luncheon. Rode in the parade at 4PM. Very HOT.

Good fireworks, but had to wait forever.

Wed.5--trade show again. Toured on a bus to Rhyman Hall and homes, it rained. Ate at Mill for dinner and bought Cinnabons for Thurs. Breakfast.

Thurs-6--caught bus to Mill for Masters Luncheon, had 300+ attend, ran out of food.

Closing at 2-4PM. Long and became a little boring, as they had to select people for the prizes and they in turn threw darts for 1st, 2nd, 3rd, and 4th. The TN. Law prohibits gambling of any kind. Our group ate dinner at Chilis in the Mill Mall.

## TRIP HOME--Friday-7

Departed at 7AM. Joe Price has joined us. Sandie, Dave and Joe detoured for Memphis to see ELVIS. They caught up with us and stayed in motel beside us.

Sat-8--Stayed in OK Dave Novitt had a 3 day happening. His Bathroom roof fell in that evening and had to move to a far away room. Before that his bike's side stand tilted and he had to remove the extension. Then he lost his gauge lights, turned off bike and turned it on and caused boom like and Geb and Christy were behind him and scared them.

Sunday-9-rode to Amarillo, TX. Dave and Dee rode N to CO and the rest rode S. to NM and CO.

Dave and Dee rode into awful dark skies and rain and thunder ,north of La Junta. Stayed in Limon, CO.

Mon.-10--visited friends in Longmont, and visited with Dave's son, Kevin

Rode to Englewood to visit Christy's parents and Aurora, Co to visit Dave's Daughter, Monica.

Mon-17--Rode to Grand Junction to visit with Don and Jo Blair for a day,

Tues.-18-- Traveled to Moab Utah for Breakfast and through Monument Valley. Cool at first and had cloud cover. Ate lunch in Cameron, and on to Flagstaff, it was cool there and had rain, so we continued to junction of Cottonwood. Stayed the night.

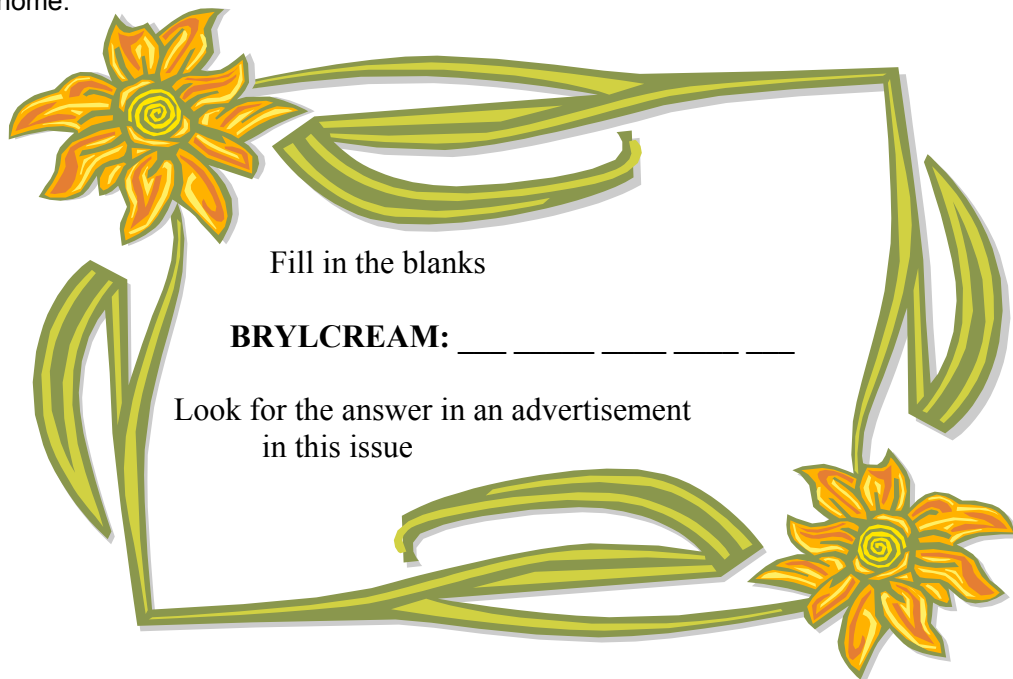

Wednesday-18-Left at 5:30AM, cool till we hit the valley, it was 95 degrees at 7;AM.

Hot ride home, but some clouds. Home by 9:30AM.

A good trip and had fun, nice to be home.

Ride safe--Hugs,

Dee and Dave Gormley

## ***District Rally***

Picture it, August 4<sup>th</sup>, 6am, seven bikes gather to ride north to Pinetop. Two groups head off into the morning, not knowing the adventure that lay before them. The first stop: Winkelman. Back on the bikes to Globe, for a breakfast stop at the Country Kitchen. With bellies full, we head out again; little did we know the clouds ahead would yield water upon us very soon. Just as the seven motorcycles enter Salt River Canyon, that strange substance from the sky began to fall. Those from other parts of the country know it to be called RAIN! Even with the wet stuff, the ride though the canyon was spectacular. After short break at the bottom of the canyon, we head out and up. Last stop for fuel for the bike with short legs in the group (mine), and on we go into Pinetop. But before reaching the hotel to register for the Arizona District Rally, the group made an unplanned stop at a Conoco station to seek refuge under the roof. Only a few miles from the destination of the day, the clouds opened up, and drenched the group! Six hours and two hundred miles and we conclude our riding adventure of the day.

Festivities begin with watching and greeting more and more GWRRA friends as they arrived at the host hotel. Friday evening gave many onlookers a fun COY and IOY competition for District. Great job to Dave and Sandie Novitt for coordinating the event. Our very own Diane Lumpkin is the new Arizona IOY! Congrats DIANE! Saturday began with the opening ceremony, then continued with fun and festivities - vendors, bike show, seminars, bike games, and also an outstanding demonstration by the Arizona Drill Team! Many enjoyed dinner and ice cream together Saturday evening. Sunday morning, there was a master's breakfast and closing ceremonies. A delightful rally, then all aboard, for the trip home. No rain on Sunday to cool off the ride, but a beautiful day all the same.

This ride to the rally gave the group a few firsts - my longest ride, on my own bike, Diane's ride through the twisties, on her bike, with Lumpy as her co-rider, and Bill's first ride to a rally with Chapter A.

Our group of seven bikes: Gene and Jeannie McGaughey, Bill Leach, D.W. Gary, Pablo Alonzo, Brad Geller, Cyndi Holland, and Diane and Lumpy Lumpkin.

More Chapter A folks were found at the rally: Steve and Laurie Williams, Garry and Kerry Woo, Ted and Lisa Labbe, Sherrie Sorensen, Dave and Sandie Novitt. Rookie Rally goers: Bill Leach, Steve and Laurie Williams, Gary and Kerry Woo, Ted and Lisa Labbe, Sherrie Sorensen.

Fantastic showing by Chapter A. Thank you to all that attended  
and supported the Arizona District Rally

Chapter A has the challenge to be a hosting chapter, along with Chapter K for the  
2007 Arizona District Rally in Tucson!

## What they didn't teach you in MSF, and a couple of things they shouldn't

by James R. Davis

<http://www.msfgroup.org/DISCUSS.asp>

The MSF classes must teach an enormous number of facts and skills to people who must be assumed to have no experience whatever with motorcycles. As such, they do not have time to teach the kinds of things that are found in these various Tips & Techniques articles, or they have insufficient time to emphasize these various ideas to the extent that I do. [Lest anybody gets the wrong idea, this Tip is not meant to be antagonistic towards the MSF nor of its teachings - I am one of the strongest advocates of MSF training to be found anywhere.]

When riding alone or in the lead of a group, as you approach the crest of a hill, move away from the center line. By the time oncoming traffic is visible it can be too late to move should you find someone coming at you in your lane if you have not already bought some air-space. (Actually, this one IS taught in the MSF class - I include it for emphasis.)

Another lesson that is not quite emphasized enough in MSF class is that your mirrors only say NO. That is, if you see a problem in your mirrors, they are telling you NOT to move into that problem. If they do not show you a problem that is not the same as them saying YES, make your move. Head checks every time (MSF does teach this!)

If it's shiny or black, ride a different track. Just because you are in staggered formation does NOT mean that you have to stay in your track. There is a whole lane at your disposal without encroaching on the traffic rights of other motorists. You ride staggered to give you maneuvering room in case you need it. Rather than ride over a patch of shiny or unusually black surface, assume you need it.

There are many more good tips, too many to include here...
