# Pioneer Chapter

Arizona District

Region F - California, Nevada, Arizona, Utah, Colorado, New Mexico & Hawaii

From the Director's Desk.

What a wonderful time of the year. Cool weather at last. The annual Ride for Kids was a great event. There were a huge number of bikes. The donations attributed to Chapter "A" were about \$5600.00. That was approximately \$3600.00 from Chapter fundraisers and approximately \$2000.00 from individual chapter member donations (WOW!). The District Rally was a big success this year. Chapter "A" won best dressed again this year and boy was the competition tough(smile), I think we scared everyone away, I hope next year we get some competition from the other Chapters. Congratulations to Chapter K's Kody for her win as Chapter mascot, I have never seen so much campaigning. Good job. I also want to congratulate Dave & Dee Gormley. Dave was awarded Red Hat #24 for all that he has done for riders education. We couldn't be more proud. Thanks Dave and Dee for everything you do. Wear your hats proudly. There is a lot going on the next couple of months. We are going to have our Christmas party on the 12<sup>th</sup> of December. Get with Diana Sias or Christy Bailey to get your tickets. I hope to see all of you there. Also on the 19<sup>th</sup> of December we will be having our annual bake sale. This is where we get a large portion of our Ride for Kids donations as well as the money for our Christmas charity. This year we chose to support the Tucson Food Bank, because for every \$1 we donate the Tucson Food Bank can buy \$9 worth of food, so instead of helping just one family this year we can multiply that by 9. So be sure to bake your favorite goodies and don't forget your checkbook. It is a great time of year here, so get out and ride.

Thanks Chapter A for everything you do.

Ride Safe!

Rider Education: **DISTRACTIONS**

We all aware of all of the distractions that might cause other users of the road to interfere with us but what about us.

With all of the new technology that is available are you being distracted also?

We have blue tooth capabilities for cell phone. Are you letting that interfere with your riding?

What about GPS receivers. Are you paying more attention to them then you should be?

Do you have an mp3 player that you are trying to reprogram? A lot of the new electronic hardware is more distracting that the ones we are used to using.

We all have had cb radios, cassette players, and cd changers that were distracting enough but the new technologies take more attention to operate that most of have the skill to use without a lot of concentration.

So, take care when you choose to use them and try not to create a bad situation for you or the people that you are riding with.

Ride safe and enjoy yourself.

**WOW, WOW, WOW!**

WE just returned from the most fun Arizona District Rally since we have been with GWRRA. The weather, the AZ Drill Team, the California Drill Team, the trike course, the seminars, car show and fright night (Halloween) on main street, Lake Havasu, the newly wing game, Elvis, great dinner, 50/50, best dressed, Couple/Individual of the Year Program, bike show, tour rides, good restaurants, Riders Ed awards, bike games, 21 vendors/sponsors and nice door prizes, Banner/Mascot/Scrapbook comp., CPR/1st Aid, GW friends from ALLOVER and so much to do you could not do it all. Lake Havasu and the London Bridge Resort gave us top billing and a great welcome. THANK YOU Arizona, you did us proud. Yes we can have FUN. Dave and Sandie Novitt

Dee's view of the AZ. District Rally--Oct,29,30,31 and Nov.1-09

Cool (Cold) ride to Havasu, had 8 bike and 2 cars. Fun ride. Many of us ate at Mexican Rest. that night, good way to visit.

Friday AM. Bailey's and Gormley's had 35 attend the drop in-bring whatever- breakfast.

We all had a good time. Chapter " A" sold 50/25/25 tickets, Good job.

Dave was honored to receive several awards for Rider Ed. He was very surprised to be given # 24 RED HAT, with the motto of RIDE WITH PRIDE AND CONFIDENCE written on it. It was presented by Gene and Rae Ellsworth. He thanks everyone.

Some of us rode the paddle boat for an hour on the lake. Enjoyed the Sat. night dinner. Chapter 'A' entered the best dressed chapter event--Surprise!!! We won first place, The competition was rough, as we were the 15<sup>TH</sup> ANNUAL PROGRESSIVE DINNER RIDE

What a great day for a ride, Great Food, and Great Friends made it an even greater day! If you haven't attended one of our "Progressive Dinner Rides" you need to join us next year! What a great way to mingle and get to talk with everyone and have different dinner partners at each stop.

The first host home was Lumpy and Diana Lumpkin's for the appetizers and salads. (So sorry you had to work and couldn't come and play Lumpy! At least he got to join us on his lunch break!) We had 18 bikes, & trikes (oh what eye candy in all colors) and 3 cars. After some great tastes of a variety of cheeses, chicken bites, and salads we headed in four different groups to the next host house.

Mary Ann and Jerry Jordan hosted the main course of Tacos at their home. We had a "cool ride" in more than one way, over hills and vales and somehow group three and four arrived before group two. We all applauded when group two arrived safe and sound. Who was that fearless leader? As we all lined up for the taco bar and loosened our belts a notch, one of the promised scattered showers misted over the group outside on the patio. Most of us moved to the porch gathering helmets, and leathers from the bikes and out of the rain. Not enough rain to drench the

## DRILL TEAM

Jim Graybeal ,the national Drill team coordinator asked me if there was any interest in forming a motorcycle precision drill team in our area.

If any one is interested, please contact me. If there is enough interest, Jim will come to Tucson and give us the details about what it takes to form a drill team.

It was a really early morning on the 10<sup>th</sup> heading to Chapter D's breakfast. Thought it would be cold but it was actually quite nice out....ready for any temperature that Arizona would throw our way. Dark out but the sun soon came out as we were on Highway 77 viewing it from our rear view mirrors. Those who rode up early were Dave & Dee Gormley, Geb & Christy Bailey, Garry & Kerry Woo, DW Gary, Smitty & Elizabeth Bottka-Smith, Barry Covard, Aubrey Woods, and Steve & I. Gene & Jeannie McGaughey met us there. Stopped at Florence, AZ for a pit stop by then we were getting hungry – since we stopped at Mickey D's but we held out for the grand breakfast D puts on. As we headed on down the road about 40 miles listening to my tummy grumble thinking about those biscuits and gravy – I think the last few miles took forever. Steve & I were in the back tail gunning group 2 so as group one and group two said – “Oh I think we were supposed to turn at the last light”, Steve & I made the right turn and everyone else made the u turn that takes place at most of our rides. The parking lot was pretty full as we arrived at the club house at the trailer park. Everyone was very friendly and happy to see us. And as usual Dennis (D's Director) did a great job – he's so funny. Chapter D's Staff puts on one of the best breakfasts – they are really good at pulling it off. I think they said they have been doing this for 14 years! Many different choices of food – no one left hungry.

Then off we went to the High School where Ride for Kids was to take place. Got our shirts for the next day, got instructions on the job, and then helped setup chairs under the tent. Thought it would take a lot longer setting up the chairs but with all of us pitching in it was done quickly. We all decided since we had about 2 hours before the hotel check in time, we would go to the swap meet and then have lunch. So off we went at the swap meet – as we drove in and parked there we met a couple there that had been in Dave's trike class in Tucson (same class Steve had taken) and he was from Vegas. So it's a small world. The swap meet was an attempt of an indoor one. Slightly a short attempt of the real indoor swap meet- it was still pretty warm inside. We wondered for about 30 minutes and then went to the food court and had some nachos and listened to the polka band and watched people dance around the stage. Not our type but fun to watch and it was pretty bouncy music. After eating we wondered some and decided that we had enough of the heat so called everyone and regrouped. Then off to the hotel. Steve had told Dave that he must have took us in a different route so that we wouldn't know where we were so we couldn't leave on our own in the morning. That way we wouldn't be late – 6:30 am start time (Yikes!). Dave's plan worked, we were all ready the next morning even after being up socializing at the poolside party. The party went well even though we were pretty exhausted from the long day we had had. They had the usual hotdogs and hamburgers, beans, bean salad, cookies, cake, chips, and drinks. It just hit the spot; it was such a beautiful evening outside. They had items that were for the silent auction. There was a knitted blanket that one of the girls that has been helped thru this program had bid on and she had \$13 and the DJ just teased her that her blanket still needed more bids. She was out bid but the blanket was given to her which was cute to see.

The next morning – it was still dark – heck – two days in a row! The hotel staff opened up their breakfast bar an hour early just for us –so nice of them since we didn't have much time to stop for breakfast. We arrived for duty at 6:29 am – Surprised to see- that there were waiting was Chuck Lee, Bill Leach, Pat Finn, Ron Penner, Anna & Jeremy Woo, and Jerry Jordan. Soon after arrived Dean Jernigan, Dennis Ammons, and Bob & Leota Ryen. Lumpy & Diane Lumpkin, and Pablo Alonzo drove up too. We were assigned to our posts and soon after bikes started arriving. Steve & I worked the drive into the lot and instructed them where to head thru. Since it was a Sunday the school was having a Church Service at the same time so we had to meet and greet them too. Many of them once they found out what we were doing donated to the cause. The parking went off smoothly the beginning of the ride started slightly slowly – waiting on the girls....once it began there were approx. 12 rows across with 25 motorcycles long. Bigger group than the year before but not as large as our first (Steve & I) year took part in. We are looking forward in having an even bigger attendance next year. The bikes took off on the ride to the marina at Saguaro Lake as we cheered them on. There were lots of wings riding the ride, but also many other kinds too. The majority of our group stayed at the school to help set up lunch for their return which the Police had planned out to the minute – 44 minutes there and then 44 back. They returned safe and sound only one bike had issues just as they got started – flat tire. So they were trailered back to the school. The officers were brought on stage and thanked. Then all the Veterans were acknowledge and thanked too. Then they brought up Frankie's Mom and she told us the story of Frankie. It was really heart wrenching and oh so sad – but out of the sadness it gave hope that with the funds that have been raised and the advances that had been made, he has a 85% greater chance of survival than just a few years ago. So on that note; we have hope for the children/people of the future that are diagnosed with cancerous tumors. We got to listen to 4 more kids and then the recognition on the top fund-raisers. Then they showed that everyone had raised \$56,000. Great going everyone!

After everyone headed off about 20 of us went to have my favorite Mexican food at Garcia's – Yum-Yum. Then homeward bound!

### Exercise Pointers

The only reason I would take up exercising is so that I could hear heavy breathing again...

It is well documented that for every minute that you exercise, you add one minute to your life. This enables you at 85 years old to spend an additional 5 months in a nursing home at 50,000 per month.

I joined a health club last year, spent about 40,000 bucks. Haven't lost a pound. Apparently you have to show up.

I have to exercise early in the morning before my brain figures out what I'm doing.

I like long walks, especially when they are taken by people who annoy me.

I have flabby thighs, but fortunately my stomach covers them

## 15<sup>TH</sup> ANNUAL PROGRESSIVE DINNER RIDE

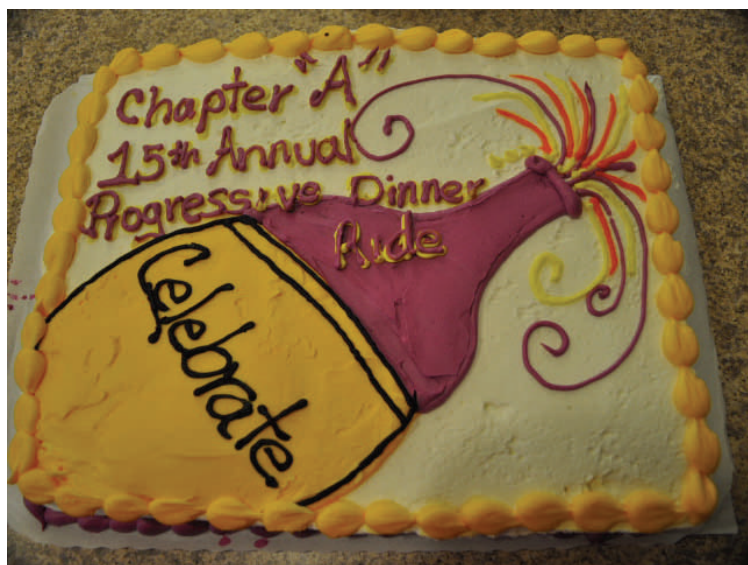

What a great day for a ride, Great Food, and Great Friends made it an even greater day! If you haven't attended one of our "Progressive Dinner Rides" you need to join us next year! What a great way to mingle and get to talk with everyone and have different dinner partners at each stop.

Most of us moved to the porch gathering helmets, and leathers from the bikes and out of the rain. Not enough rain to drench the bikes.

The last part of the ride was dry with a chill coming in. Glad I had my warm leather jacket on! The next host house was Jon and Sharon Hofer's for Desert. There was one surprise turn listed in the directions but all four groups found their way Ok. There was pie, cookies, cake and hot coffee! Just what we needed after a cold ride on a bike! A few U of A fans stuck it out for the beginning of the AZ vs Cal game. It was an exciting game until just at the end when Cal pulled ahead and AZ lost! The only sad event of the day!

## Phoenix Ride for Kids® raises \$56,913 for childhood brain tumor research

Motorcyclists raised \$56,913 for the Pediatric Brain Tumor Foundation (PBTF) Sunday at the 13th annual Phoenix Ride for Kids® in Mesa.

A gorgeous day in the desert brought 325 supporters to Desert Ridge High School. Riders were treated to a spectacular tour of red rock formations and Saguaro Lake.

Five local brain tumor patients — Megan, Leslie, Rachel, Frankie and Rosalena — accompanied the ride and participated in the Celebration of Life program afterward.

*Brain tumor survivor Rachel shares her story with Ride for Kids® manager Mark Muhlenfeld.*

Eleven-year-old Frankie’s mom, Melissa, said, “We love the excitement of coming to the ride. Because of the research funded by the monies you bring in, Frankie’s survival rate has increased to 85 percent.”

The fundraisers also heard from Dr. Michael Ettl of Phoenix Children’s Hospital, who said, “We have not gone from cause to cure yet, but all the donations you bring in is getting us closer.”

The first-place fundraisers were:

- **Individuals:** Ron and Terri Willoughby, \$13,416
- **Chapter/Club:** CMA Desert Disciples, \$13,721
- **Motorcycle Business:** Arrowhead Harley-Davidson/Buell, \$13,416

Ron Willoughby of Peoria, Ariz., won the drawing for a new Honda motorcycle.

The ride was organized by an amazing group of local volunteers, led by Edie and Dave Hewitt and Dennis Draper, Betsy Coon, and Allen and Janet Ingersoll. The Hewitts received special recognition for raising more than \$1.5 million for the PBTF over the past 11 years.

### **About the PBTF Ride for Kids®**

The national Ride for Kids® program and the Pediatric Brain Tumor Foundation (PBTF) promote childhood brain tumor research and provide family support through free literature about brain tumors, educational newsletters, online conferences and college scholarships. The next Ride for Kids® events are Oct. 18 in Knoxville and San Diego. For more information, go to <http://www.rideforkids.org/> or call 800-253-6530.
