GWRRA – Arizona Chapter A Pioneer Chapter

Arizona District

Region F - California, Nevada, Arizona, Utah, Colorado, New Mexico & Hawaii

From the Desk of Dean Jernigan-Chapter Director

This will be my last article as your Chapter Director. It has been a fun time. Since we became your Chapter Directors in February of 2009 it has been a blast. I will now be handing the reins to Mike and Susan Heritage. They will start in August 2010. I will be changing my focus to getting my Masters Degree. I will still be participating as a member as time permits, but I will probably be less visible.

I know back in February when I was asked by Diane Lumpkin to accept the position of AZA chapter director I was a little leery. I still hadn't completed my Bachelors degree and was a little concerned that I would not be able to get both done. It was a tough time. Diane needed to step down because of her health and Gary and Kerry were just what she needed to be able to do that. Gary assured me that I would get great support from the staff and that everything would be fine. I believed him and accepted the position. From that decision we got a great set of District directors and Jeannine and I got a great experience. Gary was right. The staff is wonderful. Anytime I needed advice they were there. They always encouraged us and let us make informed decisions.

I could go on and on about the staff but Jon needs to go on vacation and I don't want to use all the budget on additional postage fees, so I would like to thank, in no particular order, Ron & Debbie Penner, Mike & Susan Heritage, Bill Leach, Dave & Dee Gormley, Chuck Lee, Dennis & Debbie Ammons, Jon & Sharon Hofer, Dave & Sandie Novitt, Steve & Laurie Williams, Geb & Christy Bailey, Bob & Kay Dahms, Gene & Jeannie McGaughey, DW Gary, Diane & Lumpy Lumpkin. Thank you all. Without you I would not have been able to do this job. I would also like to thank all of the AZA chapter members. Without your participation nothing else matters. I know that I will forget to mention someone. In the haste of meeting a deadline, it inevitably happens. To those I did miss, I'm sorry. I do get frequent bouts of "oldtimers" but believe me when I say you are an important part of this chapter and I do appreciate everything that has been done to make this chapter great.

Give Mike and Susan all the support that you have given me and the AZA chapter will continue to be GREAT!!

Thank You Chapter A for everything you do. Ride Safe!

Cadillac Chaparral Restaurant Ride- Saturday, 26 June 2010

OK...it was 109 degreesso we opted for the car...but there was one brave couple who rode a bike! Any guesses? Dennis and Debbie Ammons (but I have to say it was beautiful out when we left the restaurant...perfect for a ride, full moon and all!! I kind of envied them at that point!) Steve and Laurie Williams had also driven their car so we had them join us (Jon & Sharon Hofer) in our car for the drive to the restaurant. Steve tried rolling down his window to give Dennis and Debbie a little breeze of air conditioning but it didn't work. LOL It was worth the warm drive...mmmm a good T-bone steak, and ribs not to be beat! The price was not bad either...we need to schedule another ride here in cooler weather!

We then decided to make one more stop before ending the evening....Swensen's for ice cream! Did I hear chocolate overload? It seemed the black cherry ice cream was the favorite choice...but the chocolate macadamia nut Sunday looked pretty good too! Ahhhh this is what it is all about...good friends, good food, and good times! See you on the next ride!!! Sharon Hofer
